LABORERS FOR THE HARVEST

Today's Gospel tells the story of the sending out of the seventy-two, some of the first disciples in the burgeoning church. They must have been full of idealism and excitement as they went from town to town healing the sick and expelling demons. Today, the Fourth of July, we remember those who founded our country and can also imagine their excitement and idealism as they worked in this newly established country. Our Church, now over two thousand years old, is still in need of men filled with idealism and excitement who are willing to answer the call to the ordained priesthood. Today is a day to pray for vocations to the priesthood; as the Lord tells his disciples, "[A]sk the master of the harvest to send out laborers for his harvest" (Luke 10:2).

Nurses Notes

July is DRY EYE Awareness Month. This is one of the most common eye-related complaints affecting both men and women, nearly 21 million people. It can occur at any age and is common over the age of 40. The cause varies: imbalance in composition of tears, not enough tears, eyelid problems, medications and environmental factors (heat, wind, high altitude) There is no known cure but treatment is available so see your doctor if you have prolonged symptoms of red, irritated, tired or painful eyes.

BE LIKE THE SAMARITAN

The parable in today's Gospel is one of the best known of all the teachings of Jesus. The term "Good Samaritan" has been used to name various charitable organizations and is even the official name of one state's emergency roadside assistance program that helps stranded motorists. With the prevalence of the terminology used to describe various activities in our day, we might be led to forget the message of this Gospel passage. This man, this Samaritan, was the only one who offered the beaten man help. Samaritans, remember, were considered the lowest of the low in the time of Christ. A good Jewish person would not even have gone near a Samaritan for fear of being rendered impure. The Samaritan was motivated solely by the sense that the poor man needed help. He didn't care about religious or social status. And Jesus' message is that we are to do the same. © Copyright, J. S. Paluch Co.

Time To Walk for A Cure

Thank you, to everyone who donated and purchased goodies to help support Relay for Life. We made \$816.00 on our bake sale; when added to our luminaria sales and cookbook sales we are right at \$4,000.00 for our team total this year. Without your generosity we couldn't have been successful at almost meeting our goal of \$5,000. There is still time to purchase luminaries, stop in the office and speak with Mary. **Now it is time to walk!** We have a poster in the lobby of the church and would appreciate those interested in walking with us for Relay for Life to sign up for a time that works for you. We'd like to have at least two walkers walking at all times. If you are an early riser and would enjoy the cool morning air, please sign up today. **Cancer Survivors, we would love to have you walk the Survivor's Lap at 7:00pm Friday the 9th of July.** We work all year to raise money for a cure, and it is a reward for us to see all of your faces walking with all the survivors in Yellowstone County. Thank you again to everyone who helped the Blessed Bees Team this year. God Bless all of you!

A Fourth of July Prayer

We lift up our hearts, O God, on this day of celebration in gratitude for the gift of being Americans.

We rejoice with all those who share in the great dream of freedom and dignity for all.

With flags and feasting, with family and friends,

we salute those who have sacrificed that we might have the opportunity to bring to fulfillment our many God-given gifts.

As we deny all prejudice a place in our hearts, may we also clearly declare our intention to work for the time when all people, regardless of race, religion or sex, will be granted equal dignity and worth.

Come, O gracious God, who led your children Israel from slavery, keep us free from all that might hold us in bondage.

Bless our country and join our simple celebration that we may praise you, our Source of freedom, the One in whom we place our trust.
